PHOTOS: World's Best Outdoor Showers and Baths

9 of 23

Poised on the limestone cliffs of Negril's scenic West End in Jamaica, The Caves capture all the essence of a seductive oceanfront sanctuary. There are 12 exclusive cliffside accommodations, private cave dining and even a rum and cigar bar, also in a cave. If all that underground activity has you craving some sunlight, don't fret, there is also an outdoor shower. (The Caves)
